## TalentEd Online Programme

**Date: From Sunday 30<sup>th</sup> August to 22<sup>nd</sup> October**

Dear Parents,

I am delighted to announce that we have just received our official approval from the MOE to start our programme on Sunday.

The teachers are absolutely raring to go to begin working again with the children. I am sure the feeling is mutual. Most of the teachers who will be working with your children are the same. There have been several changes though:

Ms Rahma [KG1] and Ms Hazelyn [Y1/2] have left us.

There have been severe challenges recruiting new staff from Overseas under the current circumstances. Several contracts were accepted months ago which have since been rejected by the applicants due to the prevailing circumstances with the pandemic in their respective countries.

However, we have now almost completed the recruitment process. We are awaiting the completion of the administration requirements of the Ministry before I announce the new ladies who will be joining our superb team at AMPS.

In the administration team there have been changes also. Ms Charisse will be leaving us shortly. Her role has been taken over by Ms Lubna. The Accounts Dept. is being run by Ms Neema. All payment enquiries should be addressed to [accounts@almaha.edu.om](mailto:accounts@almaha.edu.om)

The TalentEd programme format will follow our tried and trusted format which we offered throughout the school closure period from March to July, namely that all our classes are provided "live" so as to allow real-time interaction between the teachers and the children to take place throughout the lesson. The philosophy of AMPS is to establish very positive, friendly, relaxed and fun-based relationships between all the adults in the school and all our children on an individual level. Everything we do is based on this and our online provision is no different.

We have extended the number of lessons to more closely establish a re-introduction to the amount of learning which we fervently hope we will be allowed to provide when the new academic year opens on November 1<sup>st</sup> 2020, [or whenever.]

In short, we are offering four packages:

A weeks' worth of individual subject lessons can be purchased at a cost of OMR 10. ( Minimum 4 subjects)

Some parents are purchasing a number of lessons from both sessions on a "mix and match" basis at a cost of OMR 10 per subject, **eg.** two morning lessons and two afternoon lessons will cost OMR 40 per week.

Package A: 7 x 30min. lessons per day for five days per week. Cost is OMR 70 per week.

Package B: 6 x 30min. lessons. Cost is OMR 60 per week.

Package C: 5 x30min. lessons. Cost is OMR 50 per week.

Package D: 4 x 30min. lessons. Cost is OMR 40 per week.

**Kind regards,**

**Andy Taylor /Director**
